

THE MINNEAPOLIS STAR AND TRIBUNE

JOHN COWLES
PRESIDENT

June 28
1958

Mr. Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Allen:

Thank you very much for your letter of June 22 saying that thus far you have no reason to believe that the blasting operations in China involve other than conventional explosives. I am glad to have my questions clarified.

With warm regards,

Sincerely,

A handwritten signature in cursive script, appearing to read "John".
